

**Team meeting
September 25, 2015**

Meeting called to order at 0900 by IC Derek Carle
Introduction of members, 25 members present

Announced that the two new members Schneider and McCarty were approved

Finance presentation and explanation

Carle presented information about the ING exercise, Prairie Assurance 15, which was held last month

Carle presented information about the upcoming exercise in Chillicothe

Members that participated in the IMT/EMAT drill earlier in the month discussed how it went. They said it went well and that there was cooperation between the teams.

The discussion moved into what we need when we deploy and what we do. Gasparich stated that we really need to have a good PLAN for resource ordering. Be prepared to order using various formats

Albert- Team leaders were asked to meet contact their groups to ensure all paperwork is submitted. Please work on this in section breakout

IMT representation at conferences. Let command and PIO know about any upcoming conferences. Volunteer to work them when you can. However, we cannot pay to have a booth at these.

Les Albert announced his retirement from the team.

Break for lunch

Reconvene at ILEAS 1245 hours.

Issuance of equipment for new people

PIO report- newsletter, website

PSC/TNSP report. Talked about task books, evaluations and turning in certificates to plans lead

WEBEOC. Gene could not be here, but Derek gave a short update on this. We can all use Cook County WEBEOC and it will talk to the State's WEBEOC

Carle- looking for ideas for team training meetings next year.

Safety Brief

Adjourn 1400
